

# COLORING CONTEST

The Office of Child Support and Crawford County CSEA is holding a statewide children's coloring/drawing contest to bring awareness to the importance of child support. You can submit your child's drawing by September 15, 2017, to the Crawford County CSEA, who will select winners for the county. Prizes will be given for first, second, and third place. The first place drawing will be sent to the State Office of Child Support for possible publication in next year's Child Support Month Awareness activities. Attached to this letter please find a release form to be used for the coloring contest. We ask that the child color on one side of the form and that the parent/guardian provide some basic information and sign the agreement for possible publication on the other side of the form. Please submit one drawing per contestant. LET'S HAVE FUN COLORING!
